White Bear Lake, Minn. native interns with University of North Dakota’s award-winning television show

Riley Bruestle works as a weather reporter for UND’s live television program, Studio One. The program airs at 10:30 a.m. Wednesdays and Thursdays on Channel 6 in Minneapolis.

GRAND FORKS, N.D. — Riley Bruestle, is in his first semester interning at Studio One, an award-winning television show produced at the University of North Dakota. Bruestle works as a member of the weather team. In this role, he is responsible for writing stories about weather related content, building weather graphics and helping produce portions of the live show. “Studio One provides me with many learning opportunities, I have learned the responsibilities of being on a weather team,” says Bruestle.

Bruestle grew up in White Bear Lake, Minn. and graduated from White Bear Lake High School last year. He is the son of Dan Bruestle and Lisa Palmer-Bothun. He is a working towards a major in Atmospheric Science at UND and plans to work as a meteorologist.

Studio One is an award-winning news and information program produced at the University of North Dakota Television Center. The program airs at 10:30 a.m. Wednesdays and Thursdays on Channel 6 in Minneapolis. The program can also be seen by viewers in Bismarck-Mandan, Dickinson, Fargo, Grand Forks, Jamestown, Minot and Ray, N.D.; Saint Paul, Minn., Denver and Colorado Springs, Colo.; Winnipeg and Brandon, Manitoba and online at www.studio1.und.edu.
